THROUGH WOMEN'S EYES

An advocacy organization dedicated to women's rights and gender equality.

www.throughwomenseyes.org

Our Mission

Our mission is to bring about greater gender equality through film and an understanding of the impact of visual media. Media bias and the social norms it perpetuates are important contributors to inequity - and we can change them.

Who We Are

We are a 501c3 **non-profit** organization and a registered charity in the state of Florida. We welcome all, regardless of gender identity or sexual orientation. We are non-partisan, non-profit, feminist, and pro-choice. We collaborate with other like-minded organizations to increase our impact, and while our action is locally focused, our commitment to gender equality is international.

What We Do

For 25 years, we have hosted the Through Women's Eyes International Film Festival, featuring films by and about women. In addition, we host a monthly book club focusing on international women authors, organize issue-oriented gatherings, collaborate at a monthly drop-in, and more.
